## Feedback from Students -2019-20

The college has not conducted Student Satisfaction Survey (SSS) during the year 2019-20. The College has the mechanism for analyzing feedback from different stakeholders on overall institutional performance. A feedback from the students is obtained through feedback forms containing questionnaire on various aspects viz. curriculum, sports, facilities in the department, involvement of teachers etc. The feedbacks and suggestions received are placed before the principal for corrective measures from time to time. The issues facilitating the students' responses are resolved promptly.
